

## **Sophomore, Junior, Senior Textbook Distribution**

August 7<sup>th</sup>, 8<sup>th</sup>, textbook distribution is fast approaching. You do not have to wait until textbook distribution to make payment or acquire a parking permit. You have the option of paying for registration and other fees such as PE uniform/lock fees online instead of onsite. Go to <https://www.pushcoin.com>, set up your account if you have not done so already. Choosing to make payment online will speed up the process of distribution and minimize the amount of time spent waiting in lines. If you strictly need to pick up a PE uniform/lock and textbooks, print a copy of your online payment receipt and bring with you. This will allow you to bypass the fee payment station unless you need to purchase a parking permit during textbook distribution.

Currently the parking permit application is posted on the home page of our website, <http://hhs.d300.org/>. You have the option of printing out the form and visiting the main office prior to the textbook distribution dates. You will need to bring the completed application, student driver's license, insurance card, vehicle registration and \$125 payment. Please note, all outstanding school/district fees must have been paid in full (applicant's account must have a "zero" balance before parking payment will be accepted).
